

GENERAL SCIENCE & OTHER ENGG. DEPT.

Achievements during ODD Semester 2012

Department Activities

- Foundation course conducted from 17th July to 14th August on Engineering Maths, Mechanics, Graphics and Computer Programming
- Inauguration of 2012 batch conducted on 16th August 2012.
- Talent's Day conducted on 6th October 2012.

Staff Achievements

- **Dr. Nixon Kuruvila, Vice Principal:** invited to present his paper (Key note address) at the Australian Congress of Applied Mechanics in **The University of Adelaide** on 9 -12 December 2012. **Title of the Paper : "Parametric Influence and Optimization of Wire-EDM on Hot Die Steel"**
- **Mr. Rich. K.J, Asst. Professor in Mathematics:** Short term programme on **"Application of Stochastic Process in Queues, Inventory, Reliability, Wireless Channel modeling & Biology"** at Govt. Engineering College, Thrissur, from September 24th to 28th, 2012.
- **Ms. Manasa, Asst. Professor in Civil:** presented a paper on **"Trend analysis of rainfall in Wayanad District"** at National Conference on Advances in Manufacturing Systems and Processes on 6th Sept 2012 at GEC, Thrissur
- **Ms. Reshma, Asst. Professor in Civil:** presented a paper on **"Rapid Environmental Impact Assessment of Manual Dredging at Azhikkal Port Using Rapid Impact Assessment Matrix"** at National Conference on Advances in Manufacturing Systems and Processes on 6th Sept 2012 at GEC, Thrissur
