4.4.2: There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Maintenance of the Campus:

A building and resource maintenance section headed by the team of Chief Finance Officer (CFO) and a supervisor

| Chief Finance Officer
Fr. Jinto Verampilavu | Building and Maintenance Section Supervisor |

Cleanliness and Hygiene:

The Institution has employed approximately 30 cleaning staff for academic, administrative and hostel blocks, 15 staffs for gardening and external cleaning and 8 staffs for Hostel Mess.

Electric Power Backup:

SCET Campus has two 250KVA generator sets to provide sufficient backup power supply in case of power failure from KSEB.

Generator Room

Solid Waste Management:
The dry solid waste from departments is collected on a daily basis within the campus and transported outside.

Solid Scrap Collection Godown

Sewage Disposal:

The sewage mainly from the hostels and academic buildings are collected and treated inside the SCET Campus.

Water Treatment Plant

Vehicle Parking:

For the minimal number of student vehicles (two/four-wheeler) parking facility is provided. Also, separate parking facilities are provided for staff and visitors.

Car Parking Facility

ICT tools:
The computers are monitored and maintained time-to-time. A system admin team allocated for all academic buildings monitor the same.

Computer Lab

Library:
The Library holdings consist of books, journals, Library Software (Presently using NIRMALS and shifting to KOHA; process already started), e-journals, e-books etc.

Library	Reprographic centres for students

Additional Facilities:
The college provides three reprographic centres for students and staff for taking printouts/copying necessary textbooks and other resource materials.
