Why NDLI?

- Anytime and anywhere access
- Single ubiquitous platform for providing equitable access to knowledge resources
- Accessing same resources by multiple persons at the same time
- Missing/ hidden/ damaged resources
- Democratize Education
- Lockdown due to COVID-19

HOW DOES NDLI WORK? METADATA

- Metadata is primarily textual information relating to content
- It includes information that enables users to identify, discover, search, browse, interpret, or manage content
- Includes hyperlinks that direct users to content to the source
- May include an expressive description of the content

Abstract	This literature review paper discusses the proper use of qualitative research methodology to discuss several aspects of the research for the improvement of the skill of the readers. During the last few decades, the use of qualitative research has been increased in many institutions. It can be used to explore several areas of human behavior for the development of organizations. The purpose of this study is to provide inspirations to the new researchers for the development of their qualitative articles. The paper analyzes the design of qualitative research giving some methodological suggestions to make it explicable to the reader. In this paper an attempt has been taken to study the background of the qualitative research methodology in social sciences and some other related subjects, along with the importance, and main features of the study.

Magnetism is a class of physical phenomena that are mediated by magnetic fields. Electric currents and the magnetic moments of elementary particles give rise to a magnetic field, which acts on other currents and magnetic moments. **Magnetism** is one aspect of the combined phenomenon of electromagnetism.

NDLI CLUB

Objectives

NDLI Club is an online platform for conducting learning-oriented activities and evangelizing NDLI

An initiative to promote culture of reading and learning using NDLI's vast resources

Students enhance their core competence, sharpen their skill & personality traits

NDLI Club operations

- Primary activities of club include
 - ☐ Conducting various events like learning oriented activities, training sessions, workshops, lectures, competitions on a regular basis
 - ☐ Create an environment where habit of reading and learning can thrive
 - ☐ Promote NDLI

EVENT

An event is a learning-oriented activity conducted by NDLI Club. This event should be organized through the NDLI Club Platform

Physical or Online - Events can be conducted physically say in classrooms, auditoriums. Online events can be conducted using platform like zoom, google meet, MS Teams etc

Sample events can be

- NDLI Lecture Series
- NDLI Quiz • NDLI Story Talk
- NDLI Go Fish
- NDLI Film Screening
- NDLI Draw
- NDLI Role Play
- NDLI Write On
- NDLI Makerspace
- NDLI Debate

NDLI Club : Benefit to Students

Enhance their knowledge, skill sets, personality traits & leadership qualities

Every participant will get a Certificate of Participation by joining an event

Reward Points

- Some events will also allocate reward points to Students.
- Participants earn reward points from activities by uploading the outcome to the club portal
- Uploaded outcome (like essays, stories) will be checked by event reviewer and reward points will be allocated
- Reward points will be accumulated for each member
