- c. To share ideas and implement methods, for product development activities through project guidance and technological support from Jobin and Jismi
- d. Collaborate to share and exchange information between both parties for mutual benefit and technology enhancement.
- e. Strive to provide Placement and internship opportunities to the eligible undergraduate and postgraduate students of Sahridaya.

THE PROGRAMME

The Parties have agreed to execute this MoU for the collaboration with the primary objective of establishing a training program at Sahridaya to provide training to the students on Jobin and Jismi products and services and certain soft skills.

The primary focus will be to provide training, project guidance, internship and limited placement support at free of charge.

This MoU is to formalize joint activities that will help to establish a mutually beneficial relationship built on academic, scientific and technological cooperation which include organizing technical workshops, seminars, collaborative research, project guidance, internship, training programs, industry- institution interface as may be mutually agreed between the parties.

MONITORING

The monitoring of the programme, Jobin and Jismi and Sahridaya agree that:

- a. The Parties agree to establish the training program at both institutes. The training program shall require theoretical and practical training experience to be provided to the selected Participants.
- b. The training program will be conducted twice a year only.
- c. Training will be provided by Jobin and Jismi IT Services LLP only if they have adequate time.
- d. Sahridaya shall provide the required services like interior infrastructure architecting and furnishing, electricity, standby power, internet, air conditioning and other amenities.
- e. Jobin and Jismi provide relevant experts/qualified trainers for training, impartation of desired technological knowhow and project guidance as per the mutually agreed schedule.

Goleen Gore

- f. It is fully acknowledged by Sahrdaya that Jobin and Jismi shall be the sole and exclusive proprietor of any or whole of innovative advancements or inventions achieved during the course of this program.

FACULTY EXCHANGE AND CONSULTANCY

It is highly encouraged to share skills and expertise of both the parties for mutual benefit. Sharing Sahrdaya's engineering domain expertise as well as Jobin and Jismi domain expertise will help both the parties to create an innovative culture. This may result in development in the field of Engineering projects.

NON-DISCLOSURE OF CONFIDENTIAL INFORMATION

The Parties shall keep all the information shared in terms of this Agreement as confidential

The intellectual property rights of Jobin and Jismi including such technological innovations developed during the course of the program shall be vested with them as being its owners or their licensors wherever the context applies. The faculty and students of Sahrdaya who get the opportunity to obtain exposure to the intellectual knowhow of Jobin and Jismi shall not disclose the same by any means and it shall be the responsibility of Sahrdaya to ensure the same.

Both the parties shall exclusively own and continue to retain all rights and title to its trade name/s, trade mark/s and logo/s and nothing contained herein is intended to assign or transfer any of the said rights in the trade names/trademarks and logo/s to the other party
